

# 1 License Activation

## 1.1 User Registration

Please complete user registration on the FAWEB website, (FAWEB: <https://www.faweb.net/en/>) with the correct serial number (9 digits -8 digits) that you acquired when purchased.

If you purchased the software key product, a ticket ID will be sent to your e-mail when you complete use registration on the FAWEB site. The ticket ID is required to activate the software key.

If you purchase Hardware key, Ticket ID will not be sent.

## 1.2 Activate the Software Key (Online)

The following shows the procedure for activating software key when a PC with DeviceXPlorer installed can connect to the Internet.

\* The ticket ID is required to activate. Please complete 1.1 User Registration to acquire the ticket ID.

- (1) Open the license registration web page ("License") in FAWEB.

(The license registration web page: <http://license.faweb.net/>)

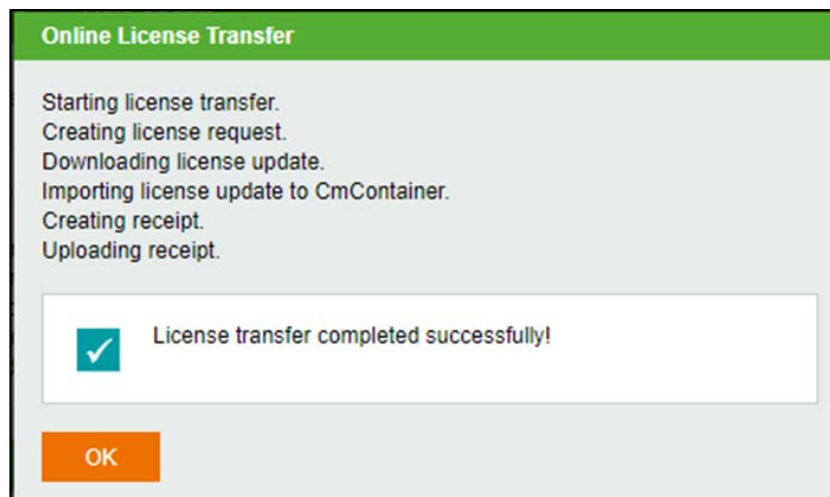

- (2) Input the ticket ID in the "Ticket", which you acquired at user registration on the license registration page, and click "Next".

- (3) Confirm that the ticket ID is correctly filled, and click "Activate Licenses".

- (4) Click “Activate License on This PC”.

- (5) The following screen is displayed when process is completed.  
When the message “License transfer completed successfully!” is displayed, Software Key Activation is complete.

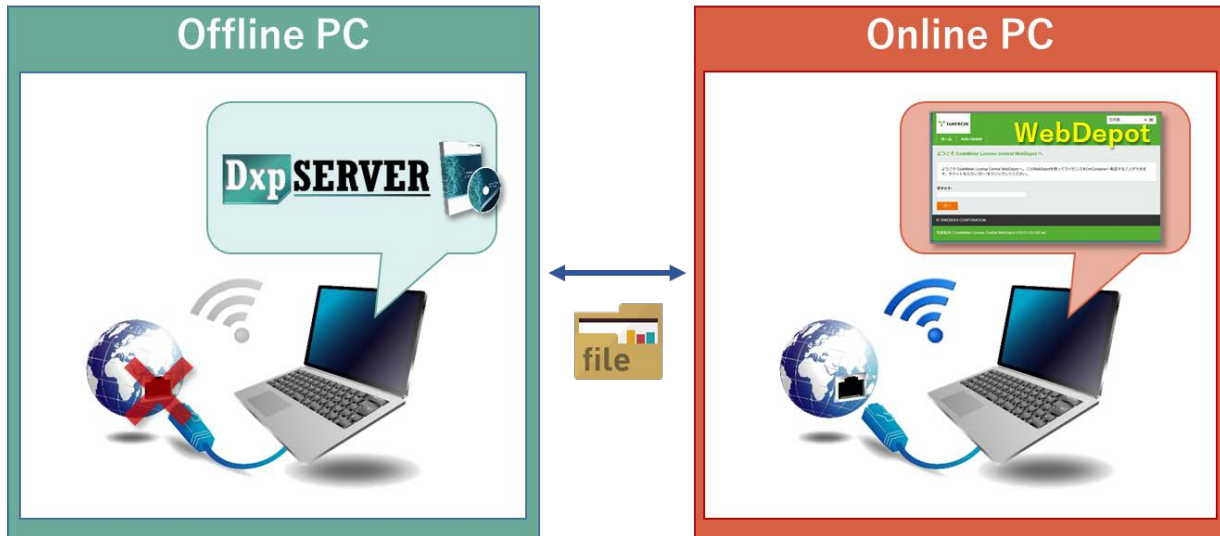

### 1.3 Activate the Software Key (Offline)

The following shows the Software Key Activation procedure when a PC on which DeviceXPlorer is installed cannot connect to the Internet.

\* Use a PC that can access the Internet (hereinafter referred to as an Online PC) to activate a license for a PC (hereinafter referred to as an Offline PC) that has a DeviceXPlorer that cannot access the Internet.

\* The ticket ID is required to activate. Please complete [1.1 User Registration](#) to acquire the ticket ID.

If Offline Activation Tool is already installed, please refer to

["1.3.1 When using Offline Activation Tool"](#).

If Offline Activation Tool is not installed, please refer to

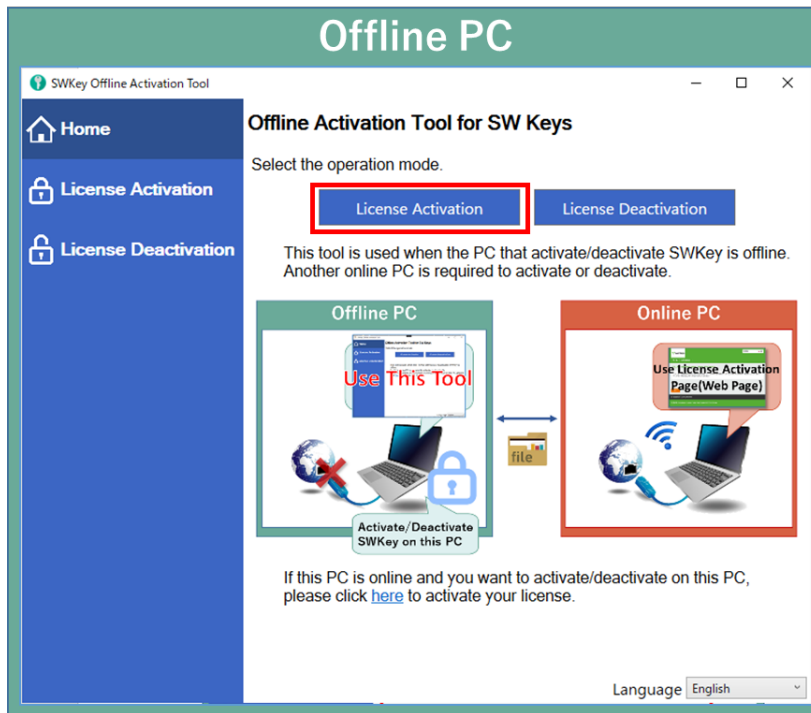

["1.3.2 When not using Offline Activation Tool"](#).

#### Note

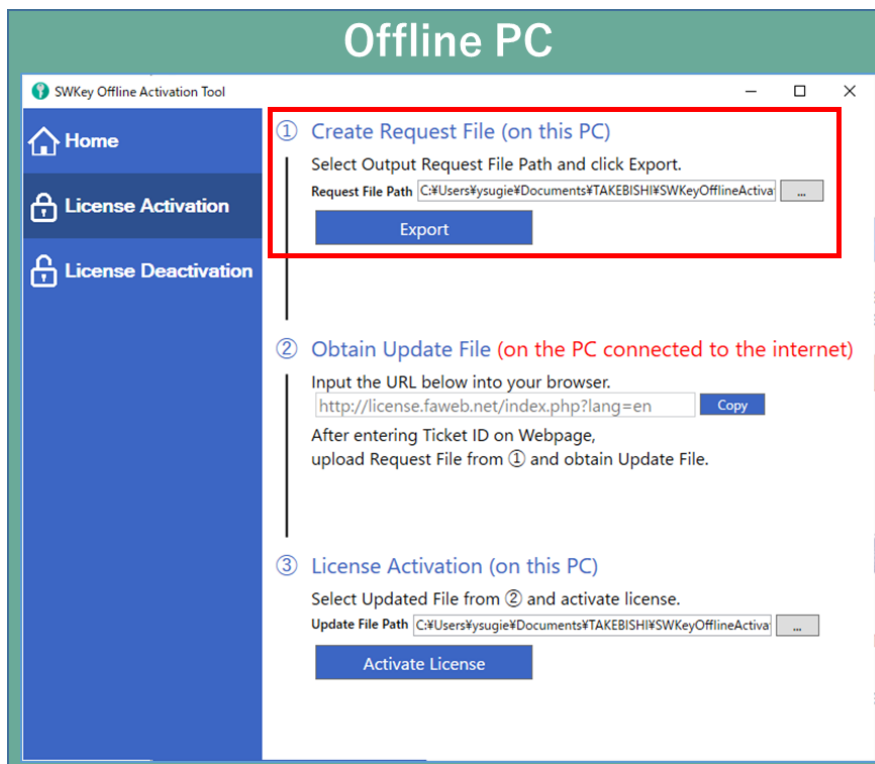

Offline Activation Tool will be stored in the following path after installing this product version 7.3.0.1 or later.  
[Installation Directory]¥Option¥SWkeyOfflineActivation¥SWKeyOfflineActivationTool.exe

### 1.3.1 When using Offline Activation Tool

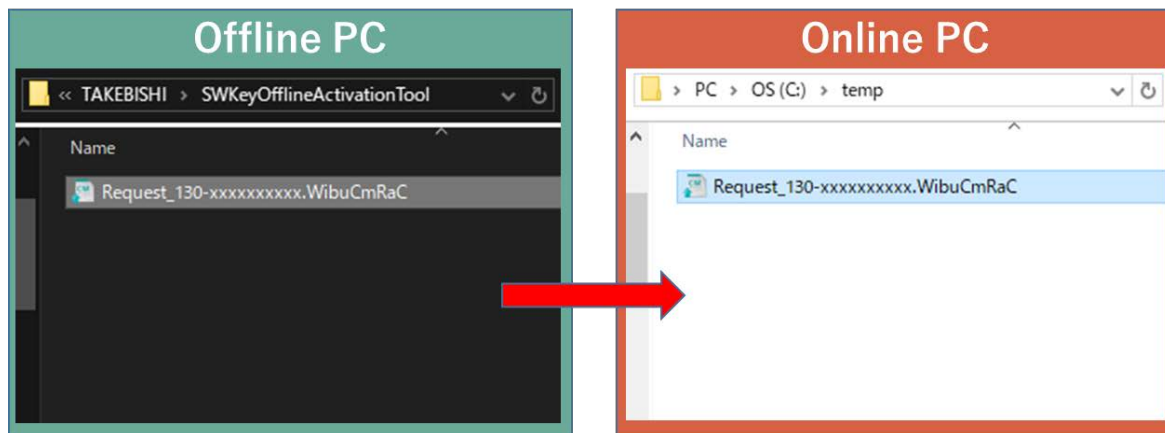

- (1) Launch "SWKey Offline Activation Tool" from the start menu and click "License Activation".

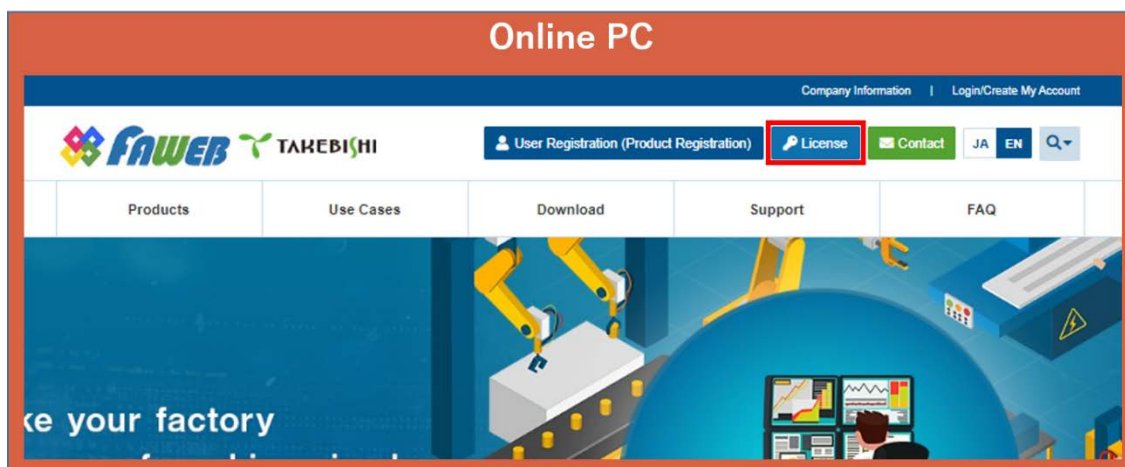

- (2) Specify the output destination of Request File and click "Export".

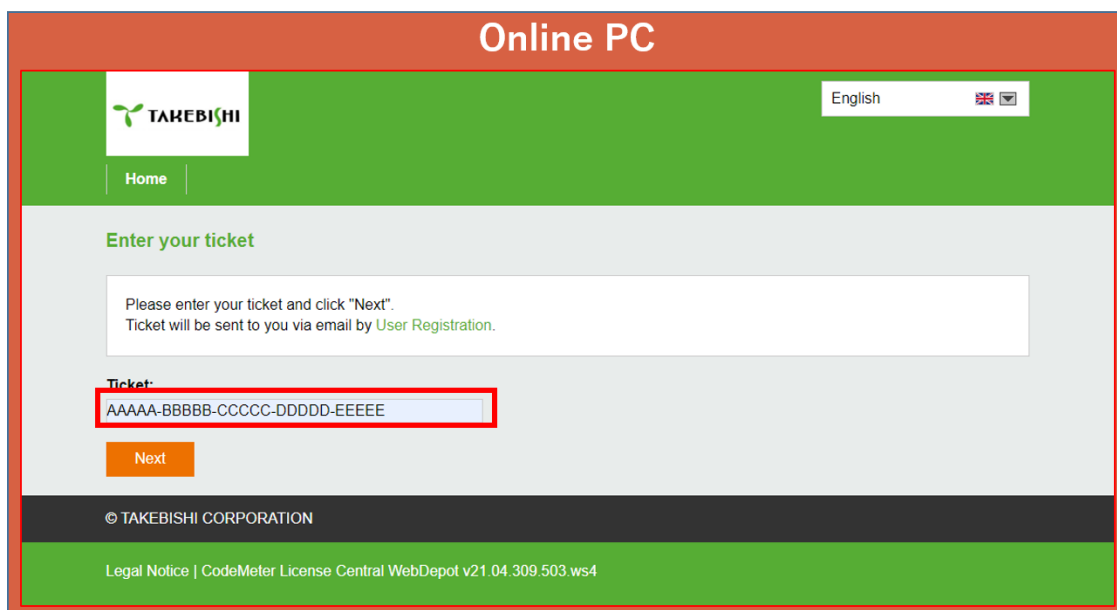

- (3) Move "License Request File" exported in (2) to any folder on Online PC.

- (4) Open the license registration web page("License") in FAWEB on the Online PC.  
("License" in FAWEB : <http://license.faweb.net/index.php>)

- (5) Enter Ticket ID obtained during user registration into "Ticket:" on License Activation page, and click "Next".

- (6) Check whether Ticket ID is correct and click "Activate Licenses".

The screenshot shows the 'Online PC' interface with the 'My Licenses' section. A table lists the license details, and the 'Activate Licenses' button is highlighted with a red box.

Name	Ticket	Activated On	CmContainer	Status
Takebishi Product CmActLicense Item	AAAAA-BBBBBB-CCCCC-DDDDD-EEEE			Available

Buttons: Back, **Activate Licenses**
